

Clothing

When I am at home, I like to wear comfortable clothes.

Sometimes people come to my home. My mom wants me to look nice for the people in my home.

My mom made 3 boxes of clothes:

Home Clothes

People Clothes

Going Out Clothes

1. Home Clothes – I wear these when I am at home and no one is coming over

2. People Clothes – I wear these when I am at home, but someone is coming over to visit. I have to look nice.

3. Going Out Clothes – I wear these when I go out.

When people come to my home and I wear my people clothes, everyone will be very happy!!!!
