

Your North Star Vision & Strategic Plan

Welcome To Your Strategic Plan!

It's time to live at a **Higher Frequency!**

Phase 1: *Courage* → *Vision*

In this Strategic Planning process the Courage part of this equation is stepping up and creating a bold **VISION** for your future.

Phase 2: *Align* → *Bringing your Vision into Reality with a Plan*

The Align part is the 3-part Strategic Planning framework, that will help you bring your VISION into REALITY:

G - Goals

R - Rocks

T - Task
